Practice

## ***"I am so happy with the results"***

*"I felt that the service provided throughout this process was first class. I was always kept well informed and felt confident in the capable hands of the staff. Their professional yet friendly approach plus the option of a payment plan made what could have been a very painful and expensive process far more bearable. I wouldn't hesitate to use Rotherholme again."* **Mr C B**

## ***"I can now smile again without putting my hand in front of my mouth"***

*"Everybody was extremely professional and put me at ease every time we met, from the initial consultation to the final fitting of the implants. My treatment is now finished and I am extremely happy with the outcome, I would have pleasure in recommending*

**Rotherholme Dental Practice are proud to welcome  
Implant Surgeon Dr Mohit Dabb to the team. (GDC 73445)**

MOHIT qualified from the University of Birmingham, school of dental medicine in 1997. He began his training in dental implantology in 2003, in America and has now placed well over a 1000 dental implants . Dental implants provide great benefits they are one of the most significant advances in dentistry in recent years, and are the number one choice for replacing missing or damaged teeth from a single tooth to a complete set, for functional or aesthetic reasons. Dental Implants are the next best thing to your own natural teeth and provide many advantages.
